Example 2

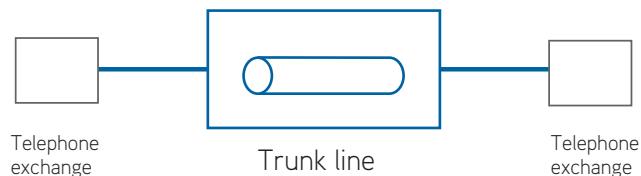

Digital 512 Kb/s leased line between Sudurgata (Reykjavík) and Adalstræti (Reykjavík). Here a digital user line within the same telephone exchange area must be leased, for both line segments are connected to the same telephone exchange.

Lease price per month:	(Price, excl. of VAT)
User line	5.312
Total:	5.312
Initialization fee:	
User line	59.039
User line, service charge	13.300
Total:	72.339

Example 3

45 Mb/s leased line from colocation in the Múli Telephone Exchange to colocation in City Centre. In this example, a user line does not have to be leased since the connection points of the line ends are in the telephone exchange.

Lease price per month:	(Price, excl. of VAT)
User line, Fixed Charge	85.064
Trunk line, km charge (5 km)	5.980
Total:	91.044
Initialization fee:	
Trunk line	10.000
